MADE TO ORDER

Handmade to order in our workshop in Spain.

Other finishes and options on request.

NATURAL MATERIALS

Veining, color and translucency vary from block to block and from tree to tree: every piece is unique and may differ slightly from the photographs.

Metal finishes develop a natural patina over time.

CARE

Dust with a clean, dry cotton or microfibre cloth. Do not use chemical or abrasive cleaners: they can damage the stone, wood and metal finishes irreversibly.

SAFETY

Disconnect the lamp from the mains before changing the bulb or cleaning it. If the cord or any electrical part is damaged, stop using the lamp and have it repaired by a qualified electrician.
